California Legislative Central Coast Caucus Foundation Announces New Scholarship Opportunity for Central Coast Students

California – The California Legislative Central Coast Caucus Foundation (CLCCCF) is thrilled to announce the launch of the Central Coast Impact Scholarship. This initiative aims to support the educational aspirations of students from the five counties of the California Central Coast.

“On behalf of the Central Coast Caucus, we are proud to offer the inaugural Central Coast Impact Scholarship to students from Santa Cruz, Monterey, San Luis Obispo, Santa Barbara, and Ventura counties,” said Central Coast Caucus Chair Assemblymember Dawn Addis (D-Morro Bay), “Our region’s students are poised to create impact not just in their own communities but across California, our nation, and the entire globe. It’s an honor to help them along the way.”

As a 501(c)(3) tax-exempt, charitable, non-profit organization, the CLCCCF is committed to fostering education on issues significant to Central Coast communities. In line with this mission, the newly introduced scholarship program will offer financial assistance to Central Coast students.

“I am thrilled that the Central Coast Caucus is able to offer scholarship opportunities to our students,” said Central Coast Caucus Vice Chair State Senator Monique Limón (D-Santa Barbara). “This scholarship will help bridge the gap in accessing higher education and aid our students in achieving their academic goals.”

Interested candidates are encouraged to apply by visiting CLCCCF.org, where additional details about the scholarship criteria and application process are available.

The California Legislative Central Coast Caucus Foundation (CLCCCF) was established in 2024 to promote and support education on issues important to California Central Coast communities. The CLCCCF is proud to provide educational scholarships to students from the California Central Coast.
